**Lot Name:** The Slow-Down, Eat-Breathe-Connect-Inspire, Watch-the-Sunset, Un-Party

**Description:** Are you busy? Not sure if you are coming or going? Feel like you can't catch your breath? Me too! The six winning bidders will gather at my home on the evening of Friday August 9th to slow down. We will start with some spa-worthy vegetarian food, and then enjoy silence. That's right. Peace and quiet! You can meditate or simply enjoy the freedom of a no talking zone. All guests are encouraged to bring along an inspiring reading to share to break the silence. We will then create a collaborative Spotify playlist of calming and inspiring music we can tap into whenever you need a lift. If you have never used Spotify, no problem! Bring your internet enabled device (smart phone, laptop...) and my resident teen, Mary, will be on hand to assist. With our new playlist on as background music, we will get to know each other better by playing a round of Loaded Questions (friends addition), "the classic game of who said what". To finish the evening, we will watch the sunset and, of course, enjoy some more spa-worthy vegetarian treats.
