Featured Value: *Interdependence*

We honor the interdependent web of all existence. With reverence for the great web of life and with humility, we acknowledge our place in it. We covenant to protect Earth and all beings from exploitation. We will create and nurture sustainable relationships of care and respect, mutuality and justice. We will work to repair harm and damaged relationships.

In these difficult times when violence is making its way into our communities, we may want to remind ourselves of nonviolence. JAN 30th-APR 4th represents the season for Nonviolence, beginning on the memorial anniversary of Mahatma Gandhi and ending on the memorial anniversary of Rev. Dr. Martin Luther King, Jr. For more information and additional resources, please visit:
