Most funds go for legal fees because asylum cases are five times more likely to be successful with legal representation. Currently MVIC is in solidarity with a half dozen families from Central and South America. MVUUF is an active partner of MVIC. For more information, go to <https://www.mvicdayton.org/>.

**Featured Value: *Pluralism***

We celebrate that each and everyone of us is special and important in our own way. We promise to learn from each other while we explore life and what's important to us. We welcome our differences and the things we have in common with love, curiosity, and respect.
