

THE TWELFTH ANNUAL MVUUF

MEN WHO COOK

FUNDRAISING EVENT

Saturday, February 23, 2019, 6:30 - 8:30 pm

About the Event: You will be one of about 25-30 men preparing food dishes to serve, including appetizers, breads, soups, salads, entrées, and desserts. You will prepare your dish at home and bring it to the church ready to serve with a minimum of preparation needed at the church. Food warmers, slow cookers (CrockPots), etc. can be used at the event, but please advise us in advance so we can secure electricity (via power strip) for you. You will prepare enough to serve up to 40 people with small servings (4-5 bites each). You will also provide a list of ingredients for your dish. These ingredients will be listed on a tent card accompanying your dish, which will advise our members with food allergies and/or dietary concerns with their food selections.

On the back is a form containing the information we need for cooks – name, contact information, what type of dish you'll be bringing, and an ingredient list (noting any potential allergens).

What if I don't cook?: We can still use your help! We need men to help set up before the event, to help serve food and beverages during the event, sell 50-50 raffle tickets during the event, and to clean up and tear down after the event is over. We've also had men buy bottles of wine for the event, or buy supporting or "scholarship" tickets on behalf of those who could otherwise not afford to attend. And of course, we can always use Men Who Buy Tickets and Eat! Refer to the other form containing the list of non-cooking tasks on the back of the page.

During the Event: You will be serving your dish along with the other men at the same time from tables around the perimeter of the dining area. We will have a sign identifying each dish, along with the furnished ingredient listing. Guests will go with their plates from table to table selecting the particular food items they wish to eat. Wine and other beverages will be served. Musical entertainment will be provided throughout the meal and there will be a 50-50 raffle. The men serving will be able to eat after everyone else has been served. As many as possible will stay after to help clean up.

Our Goal: This event is both a fundraiser and a way for the men of the Fellowship to get together in the spirit of brotherhood and working toward a common cause. If all goes well, we'll all have a good time and we'll raise over \$2,000 for the General Fund.
